Raphael Tuck & Sons' "OILETTE"

BY SPECIAL WARRANT TO THEIR MAJESTIES THE KING & QUEEN.

After the original painting by H. B. WIMBUSH.

Loch Long is a long narrow arm of the sea springing from the northern end of the Clyde, and stretching northwards into the Highlands. Kilcreggan is one of the many delightful summer resorts on its banks, possessing a small pier at which the steamers plying on the loch make frequent calls.
